STREET BARBEQUES

Making new friends, meeting the neighbours, and getting to know what makes your neighbourhood special is all part of feeling at home in your community.

This is a great time to invite your street neighbours to get together over a sausage and a drink. Getting to know your neighbours is simple, fun and helps you feel happier and safer in your community.

Peet will even contribute towards food and drink, along with some handy tips and hints – it's easy to get involved!
