**PEET**

# THE FOUNDATION FOR A GREAT LIFE.

Cornerstone’s masterplan has been designed to cater for you and your family, both now and in years to come.

Set across 86 hectares in an up-and-coming corner of Werribee, this exciting new community will include over 900 homes, waterways, parks, playgrounds and bike and walking trails.

Cornerstone also takes full advantage of its location with plenty of future schools, shops, restaurants, parks and sports grounds all just a stone’s throw from home.

## MAMMA KNOWS WEST.

Peet has joined forces with Mamma Knows West – the ‘experts in fun’ – to create fun and exciting playgrounds at Cornerstone. Having reviewed and tested hundreds of parks around the western suburbs, Mamma Knows West understands exactly what kids (and parents) will love.

First up will be Cornerstone’s Safari Park which is inspired by the nearby Werribee Open Range Zoo. The kids will love playing hide and seek among the giant animal sculptures, while the shade-covered picnic areas are perfect for the whole family.
