## WELCOME HOME TO CORNERSTONE.

Family is the most important thing in life, and we want what's best for yours. Cornerstone is a welcoming community where neighbours look after one another and new friendships are formed.

It's a place where you can celebrate life's achievements, big and small. From a win on the footy field to a promotion at work, a birthday or even just the fact that you've made Cornerstone your home.

It's a place that takes you back to 'the good old days'; kids riding bikes with friends from down the street, waving hello to the neighbours while watering the front garden or catching up with mates for a barbie in the park.

At Cornerstone, you'll be living in a community designed for you and your family, now and in the years to come.

"the foundation  
for a great life"

"a place you can be  
proud to call home"

# A COMMUNITY THAT'S READY FOR YOU.

Imagine driving into Cornerstone past the stone wall entry feature, down the tree-lined main boulevard, and arriving to your beautiful new home. Picture yourself taking the dog for a walk along the waterway or catching up with the neighbours while the kids run wild at the local Safari Park.

Set over 86 hectares in an up-and-coming corner of Werribee, Cornerstone could be your new home. Surrounded by nine hectares of the great outdoors, the community will include over 900 homes, a waterway, parks and playgrounds, as well as bike and walking trails.

This new community takes full advantage of its great location with plenty of new and future schools, shops, restaurants, parks and sports grounds all just a stone's throw away. Plus, the surrounding area of Werribee is quickly becoming one of Melbourne's great community centres.

Cornerstone is designed and delivered by Peet, one of Australia's leading residential developers. With over 120 years' experience around Australia, around Melbourne and even just around the corner in Point Cook, Tarneit and Derrimut, you can be confident that the community we plan is the community we'll create.

# ADVENTURE AROUND EVERY CORNER.

Cornerstone will feature two large parks, each located just a short walk from every home. The first is Safari Park with a state-of-the-art playground inspired by the nearby Werribee Open Range Zoo.

Kids will love playing hide and seek amongst the giant animal sculptures and parents will love the shade-covered picnic areas. It's the perfect place to celebrate kids' birthday parties, have a family picnic, or simply to stop for a play after school.

# MAMMA KNOWS WEST...REALLY KNOWS BEST!

Every month 40,000 locals find out 'what's best' from the team at Mamma Knows West. Their expert knowledge of what kids (and parents) love have made the Mamma Knows West team the go-to for the best in parks, playgrounds and all things local to Melbourne's west.

Peet has partnered exclusively with Mamma Knows West to design the parks and playgrounds at Cornerstone. Together, we're committed to bringing a whole new level of fun to Cornerstone.

## LIVE A GREAT LIFE INSIDE AND OUT.

What better way to enjoy the great outdoors than in your very own community? Cornerstone is a great place to enjoy some fresh air, whether it be walking the dog or riding a community share bike along the future waterway, or simply sitting back and relaxing in one of Cornerstone's parks.

Plus, there's more to come with over 16 hectares of proposed sports grounds planned directly opposite Cornerstone, including AFL/cricket ovals, cricket nets, soccer pitches, tennis courts, softball fields, a playground, and sports pavilions.\*

Our design guidelines are tailored specifically for Cornerstone, so you can be sure that the vision we've created for the community matches the vision for your new home.

And, if you're not sure where to start, we've partnered with Melbourne's leading builders to offer you a great range of house and land packages. Plus, the Cornerstone Display Village features beautiful homes showcasing the latest designs from Metricon, Porter Davis, and Homebuyers Centre.

## YOUR LITTLE CORNER OF THE WORLD.

Cornerstone is just a stone's throw from everything you need. Nearby schools, shops, cafes, sports grounds and childcare centres will all be connected by a network of walking and bike paths.

It's also just a five-minute drive from Wyndham Vale Square where you can pick up the groceries, or catch the train to work from the flagship Wyndham Vale train station up the road.

Jump in the car for a short trip to Watton Street for a quick bite, or pop over to Pacific Werribee for great shopping and entertainment, including Village Cinemas.

Enjoy a Saturday afternoon at Werribee Mansion, have a long lunch at Shadowfax Winery, or take the kids on an adventure to Werribee Open Range Zoo. If the great outdoors is more your thing, explore the nearby You Yangs on foot or by mountain bike.

Or, choose between City and Surf for a Sunday drive with the Melbourne CBD, Geelong and the Surf Coast all less than an hour away.

Plus, there's more to come right next door to Cornerstone, including over 16 hectares of proposed parks and sports grounds\*, a proposed town centre, sites zoned for future schools, and a proposed future train station.#

# BUILDING MELBOURNE'S WEST.

Did you know that Peet has already created seven established communities in Melbourne's west? These include Kingsford and Innisfail in Point Cook, Brimbank Gardens in Derrimut and in Tarneit, The Rise, Tarneit Gardens, Little Green, and Haven, which are now home to over 6,400 families. Plus, we're building yet another community, Newhaven at Tarneit.

With such a long history of delivering high-quality communities, it's no wonder so many people have chosen to build their new life in Melbourne's west in a Peet community. And now with Cornerstone, so can you!
