PEET

THE FOUNDATION FOR A GREAT LIFE.

There's a quiet corner of the world with a community that feels like family.

Cornerstone is where you can truly belong. Already established and nestled in the vibrant suburb of Werribee, it's close to everything you could want, with a unique sense of calm.

Everyday life is made easy with shops, schools and cafes only a stone's throw away. On weekends you can also choose to stay local, with memories to be made at nearby spots like Shadowfax Winery and Werribee Open Range Zoo.

And simply step out your front door any time to enjoy a walk, run or cycle along the beautiful streets bursting with colour, or the paths and trails waiting to be explored.

Cornerstone is a breath of fresh air.

You'll find yourself waving to neighbours and chatting away while the kids entertain themselves with exciting outdoor adventures.

Your little ones will be swinging and clambering through Safari Park one day then climbing giant boulders and ropes at Raffles Walk Park the next – it's just how childhoods were meant to be.

Cornerstone is where you'll want to lay down roots and delight in the comfort of coming home.

MAMMA KNOWS WEST.

Peet has joined forces with Mamma Knows West – the 'experts in fun' – to create fun and exciting playgrounds at Cornerstone. Having reviewed and tested hundreds of parks around the western suburbs, Mamma Knows West understands exactly what kids (and parents) love.

Cornerstone's Safari Park is inspired by the nearby Werribee Open Range Zoo. Kids love playing hide and seek among the giant animal sculptures, while the shade-covered picnic areas are perfect for the whole family.

Raffles Walk Park is another one you won't want to miss! Climbers of all ages love this park featuring huge boulders and a climbing course with ropes, plus a lookout tower with slides. Set against Cornerstone's peaceful waterway, there are also spaces to just sit back and relax.

It's no wonder Mamma Knows West gave both playgrounds their big tick of approval for meeting the fun factor!
