AT TARNEIT

PEET

The beginning of something new

Welcome to Newhaven, Peet's newest community in Tarneit.

Inspired by the highly popular Haven and Little Green communities, Newhaven is the beginning of something new. A new community in Tarneit's best location. A new vision for a close-knit and friendly community. A new beginning for people just like you.

Located along Tarneit Road, Newhaven will include 1,200 homes with all the trimmings you would expect from a masterplanned community - tree-lined streets, parks, playgrounds and custom landscaping, all designed specifically for you.

And that's just the beginning...

Newhaven is designed and delivered by Peet, one of Australia's leading residential developers. With 125 years experience in developing communities around Australia, around Melbourne and just around the corner, you can be confident that the community we plan, is the community we'll create.

Welcome to Newhaven. Feels like home.

It's all about new connections

We're connecting Newhaven in a whole variety of ways; from solar energy and the nbn™, local transport hubs and the wider community.

- Peet is joining forces with expert solar companies to provide you with a free solar panel package.¹
- The nbn™ will be delivered to all homes.²
- Each of Newhaven's three, expertly designed parks will provide new and fun ways to connect with family, friends and neighbours.
- Landscaped walking and bike paths will link Newhaven directly to Tarneit Train Station.

Newhaven's masterplan also connects the established and the new. Tarneit Road leads you straight to the popular Tarneit Gardens Shopping Centre, schools, child care and public transport; whilst Newhaven's masterplan accommodates a site zoned for a primary school and proposed sports grounds.³ Next door, a town centre and second Tarneit train station have also been proposed.³

Be well connected at Newhaven.

A new adventure

At Newhaven, we've included not one, not two, but three awesome parks in the masterplan, and each space is custom designed for a unique, state of the art adventure.

Our 'experts in fun' Mamma Knows West have joined Peet exclusively to create playgrounds that both kids and parents will love. Each playground is themed and designed for different age groups so kids will never run out of things to do.

Landscaped pathways will criss-cross the community and connect each of the parks, making the journey there, just another part of the adventure.

Navigation Park is already open for play, and includes:

- A water-squirting elephant in the playground's water zone
- A look-out tower with slides
- A half basketball court
- A barbecue and picnic pavilion

Navigation Park.

Mamma Knows West partnership

Every month 40,000 locals find out 'what's best' from the team at Mamma Knows West. Their expert knowledge of the west and what kids (and you) love, have made the Mamma Knows West team the go-to for the best in parks, playgrounds and all things local to Melbourne's western suburbs.

Peet is committed to bringing a whole new level of fun to Newhaven, which is why we've partnered exclusively with Mamma Knows West to design parks and playgrounds at Newhaven (and Cornerstone in Werribee).

Partnering with the best

Peet is working closely with Melbourne's best builders to create a range of house and land packages at Newhaven.

Our Design Guidelines have also been created in consultation with our builder partners to ensure your new home, new street and new community are just as you had planned.
