

FREE COMMUNITY WORKSHOPS

ARE YOU INTERESTED IN
**sustainable
design?**

Join your Lakelands neighbours at one of our fantastic community workshops to learn about how to reduce energy and water consumption and increase suburban liveability.

WORKSHOP

- | | | WHEN |
|---|--|----------------------------|
| 1 | The basics Energy Efficiency & Solar Passive Design | Sunday, 21 Jul |
| 2 | Environmental retro-fitting How to make an existing home efficient & sustainable | Sunday, 25 Aug |
| 3 | Transitional housing - future proofing, aging in place How can we stay in our homes longer? | Sunday, 29 Sept |
| 4 | Looking at your house plans Bring your existing or new house plans for us to review as a group | Sunday, 27 Oct |
| 5 | Putting it all together & the future direction of housing Reviewing what we've covered, answering questions & expanding on your requests | Sunday, 17 Nov |

ALL WORKSHOPS WILL BE HELD AT

2.00pm - 3.30pm

13 Lilydale Drive, Lakelands

Hosted in a Lakelands couple's very own sustainably designed home so you can experience it for yourself!
